Foreword

"Some men see things as they are and say why.
I dream things that never were and say, 'Why not?' "

Robert Kennedy

During these past four years we have overcome many obstacles. At times it seemed as though nothing could go right, but we always managed to face each challenge with a strong sense of determination. We have become aware of the ever changing world in which we live. Together we have experienced changes in our society, changes in our school, and changes in ourselves. We have laughed together; we have cried together; and we have matured together — we have changed.

These four years have quickly sped by. We began as freshmen: scared, lost, and bewildered. We are now seniors: more aware, more intelligent, and more mature. As freshmen it seemed as though the time would drag on, but now we realize just how quickly it did go by. And as each of us leaves to strive for his own ideals, we will look back at our four years in Taunton High School with nostalgia. But we must always remember that time marches on; and as it does, we will change so that we may remain knowledgeable of the world around us.

Dedication

In the past years, she has given freely of her time to the students of Taunton High. As a guidance counselor, she has directed many youths toward finding their future goals. She has helped not only the students assigned to her but any student who has needed assistance. Supplementing her counseling, Mrs. Turner has taken part in other activities. She has been Student Council advisor, Dean of Girls, and the sponsor of the Girls' League. She is loved by all students and has reciprocated with her own love. We, the students of Taunton High School, dedicate the 1970 *JOURNAL* to you, Mrs. Turner, our advisor and our friend.

Faculty

Educators of our time give us the tools of learning with which we are to work every day of our lives to make us consciously aware of the changes in the world, the changes in others, and the changes in ourselves.

Large was his bounty, and his soul sincere,
Heaven did a recompense as largely send:
He gave to Mis'ry (all he had) a tear,
He gained from Heav'n ('twas all he wished) a friend.

TO THE SENIORS:

The past four years have been years that we, the class of '70," will never forget. It began such a short time ago, and now as seniors it is about to end. Our ways have changed; our lives have changed; yet we, as a class, are one. We've shared in laughter, fun, and sometimes tears. As we walk out these doors into the doors of the future, we hope that we have left a lasting impression on those who will follow us.

Underclassmen

Our pathway to change began as underclassmen while we followed the footsteps of our noble seniors.

JUNIOR CLASS OFFICERS — top to bottom: A. Peabody, Treasurer; R. Contildes, Secretary; M. Andrade, V. President; S. Perry, President.

"Hey! Don't take the picture while I'm pulling up my pants."

Being upperclassmen for the first time, the juniors have already set good examples for the underclassmen and will continue to do so in their final year at T.H.S.

They have become a vital part of our school because of their active participation in our clubs and enthusiastic support of our teams.

Getting their class rings earlier than ever before was the first major accomplishment of their junior year. And how will they ever forget their Junior Prom?

Next year they will certainly have a rewarding senior year. We wish them well!

Class of 1971

"Don't feel bad; I still have my Raggedy Ann."

"Why won't you marry me?"

(Mr. Dube) 2 + Mr. Pimental = Miss Dykos

"See Spot. See Spot run."

Sweet innocence.

"I always feel meaner when I eat my Wheateena."

"One more crack like that and I'll let you have it!"

"Yes, Mr. Aliexa?"

"I always wanted to be this tall."

"I won by that much."

Fastest draw in the East.

Judy gets her letter.

"We don't mess around! Hey!"

"Romeo, Romeo . . ."

"If you take my picture . . ."

"My P.F. Flyers at last!"

SOPHOMORE CLASS OFFICERS — l to r: D. Dority, Secretary; R. Pepitone, V. President; S. Bell, President; E. Andrade, Treasurer.

With spirit and enthusiasm the sophomore class jumped into their second year at T.H.S. Now, having the opportunity to participate in most varsity sports, they have made an impressive showing. These energetic students contributed immensely in school organizations and activities. They have the will to work and they are going to succeed. We wish them the best of luck!

"For me?"

Class of 1972

"Everybody over here!"

"I know when I'm not wanted."

"Look out, world, here I come!"

... Can't hold that tiger!

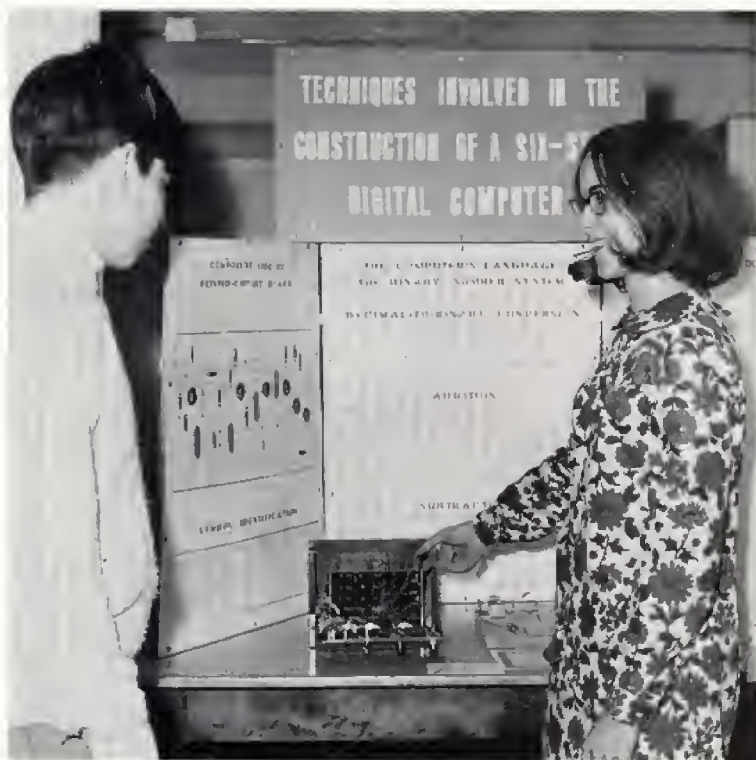

"Oh, oh, we goofed again."

"You wouldn't believe the gum under this table."

"Shy, isn't she?"

"And when I push this button . . ."

"Did you see what just walked by?"

1 . . . 2 . . . 3

"Guess what!"

"Who, us? We don't know anything about it."

"Would you believe this is a 'Gansett?'"

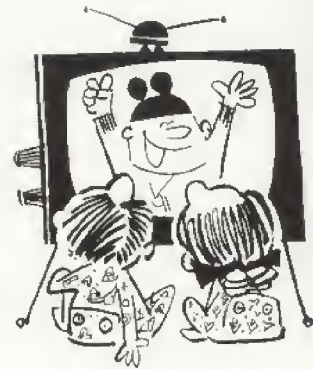

"He wasn't such a bad teacher after all."

"Peanut butter does stick to the roof of your mouth."

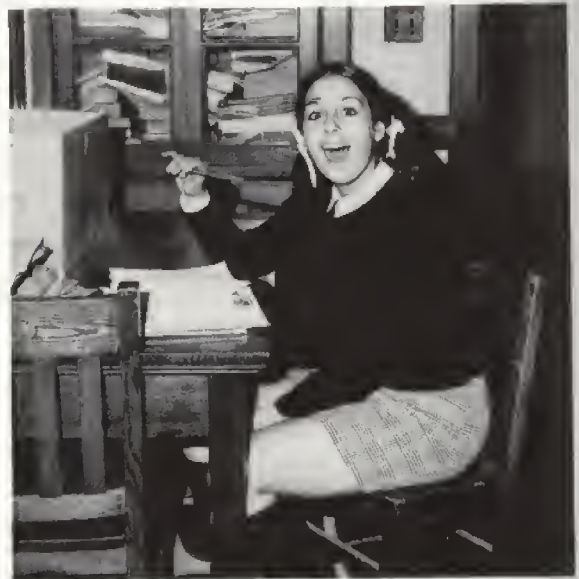

"I wonder if everyone is as bored as I am."

FRESHMAN CLASS OFFICERS — l. to r.: C. Osenkowski, V. President; L. Miranda, Secretary; S. Pina, President; D. Crossman, Treasurer.

Class of 1973

No detention tonight!

Enthusiasm, willingness to work, and participation were just a few examples of the freshman's spirit this year. When it came to taking part in orange and black week, the class of '73' beat them all. The freshmen have also supported our school functions while actively participating in the band, Cadet Corps, Pep Squad, Junior Red Cross, and freshman athletics. In the future we hope the class of 1973 will continue to play an active role in school affairs, and we wish them success in their remaining years at T.H.S.

The Thanksgiving Dance.

"I've got to hand it to you . . ."

"We're winning!"

"He would have to step in and ruin the picture."

"Don't tell me I just flunked another one!"

"Thank goodness that class is over!"

"General Science is so boring."

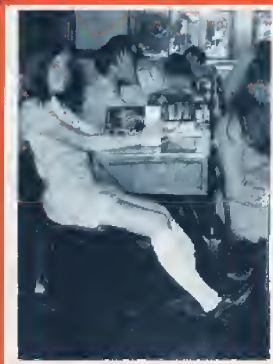

"Isn't he cute."

Garry and Tony

It Started at Camp . . .

. . . And It Was No Picnic

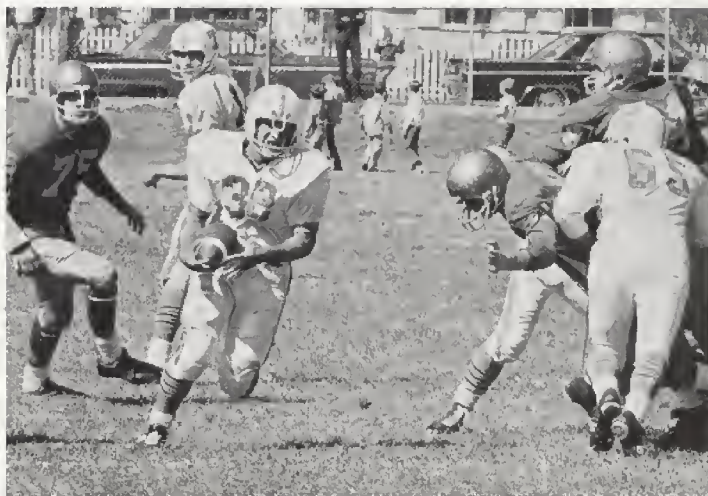

The hottest week of summer found the Tiger gridsters in Monson, Mass., for a week of fun and games. The fun came after the game and their game was FOOTBALL. It was a lot of blood, sweat, and tears, but it paid off as Coach Benoit's orange and black charges ended the year with a 4-4-1 record.

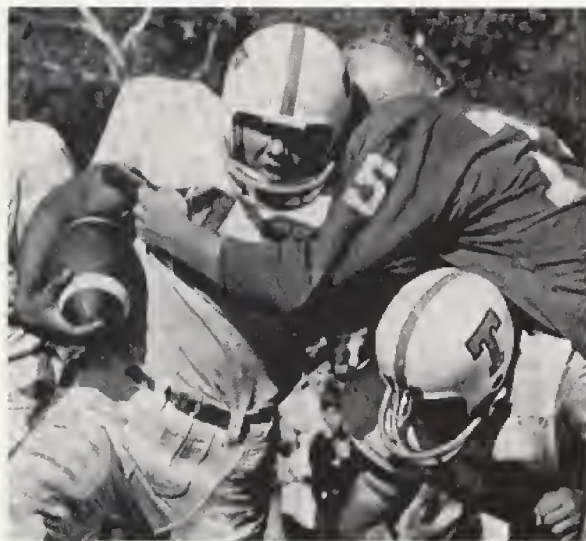

It's a Bruising Game!!!

The girls' basketball team started out the season fairly well. They pulled out an amazing victory against Case in overtime. Captains Jennifer Smith and Linda Stempka were among the best hoopsters in the league. The other Seniors Betsy Shaw, Wendy Milne and Margarita Cotto, were superlative, too.

During the Spring when most gals are busy with Spring cleaning, an elite few engage with diamonds, softball diamonds, that is!

Not many students have ever seen these girls play like pros, but they do. Under the guidance of Miss Dion, these female athletes not only play well but also have a good time while they're doing it.

Betsy Shaw and Carol Stigh are the big stars for the team, but there is plenty of young talent, too.

Building for Tomorrow

Baseball Coach Mike George didn't have many seniors to work with, but those he did have were great.

Despite the lack of seniors, the diamond boys impressed many with their tough defense. They needed to play this way because there were not many big sticks on the squad.

The future looks bright for the Tiger baseball team, and like football and basketball next year should also be a great one for the Taunton High nine.

The class of 71 hopes to bring in three titles.

The Taunton High School Student Council is becoming more and more active each year in affairs relative to student interests in the school. We attempt to work hand in hand with the administration in achieving the goals of the student body. In this day of change we advocate evolution rather than revolution in matters pertinent to school policy.

The Journal Staff Thanks . . .

Mr. Januse, our patient sponsor, for his advice, help, and most of all for putting up with us.

Purdy Studios, our photographers, for their fine pictures.

Taylor Publishing Co., our publishers, for their genuine concern in helping us to get the book out on time.

Mr. McGuirk, for his generosity to us during the year.

Mr. Pelczarski, for his thoughtfulness and generous contributions of time and effort.

The Parents of the JOURNAL Staff, for their patience while we invaded their homes for meetings.

All those people who helped to make the 1970 JOURNAL a success.

The end has finally come.
We shall have no more laughs
together.
We shall have no more tears
as one.
Now, we go our separate ways
in search of what is better.

Our High School Days have ended.
We will look back on these years and realize how
we've changed.
But we always remember the many things that we
wanted to do,
For we shall always have our dreams that we will
cling to.
